

Re-Programming Guidelines...

1. Mail your radio(s) back to LiveSportsRadio either by USPS, FedEx or UPS.
2. Include \$10 per radio. Visa—MC—American Express—Discover—Cash or Check payable to: LiveSportsRadio.
3. Optional: add \$4 to upgrade your return shipping from USPS First Class to USPS Priority mail.
4. You will not need to send in ear buds or batteries with your radio(s).
5. Use your own mailing label or cut out the one below.

We will...

1. Upgrade your frequencies.
2. Replace cap and lanyard, if applicable, with the current design.
3. Return your used caps and lanyards that are replaced. Used batteries are not returned.
4. Include a new battery in your package.
5. Send you the return tracking information if you include an email address.

Please fill in your contact info and include this form in your package.
